

AMBIC IS MOVING TO NEW PREMISES

We are pleased to announce that Ambic will be moving to bigger and better premises during the month of March! Details of our new postal address, which will be effective from Monday 28th March 2011, are as follows:

Ambic Equipment Limited
1 Parkside
Avenue Two, Station Lane
Witney
Oxfordshire
OX28 4YF
England

Our telephone and fax numbers
will remain unchanged.

The new, improved facilities are conveniently located very close to our current site in Witney which we hope will help make the relocation process smooth and seamless. Needless to say every effort is being made by all of the Ambic staff to minimize any disruption for our customers as a result of the move.

However, in anticipation of some disruption, your assistance in providing us with early notification of any orders required for delivery in March or early April would be much appreciated to help us with the production planning process. Ideally, we would prefer to avoid dispatching any orders during the week commencing 14th March when the assembly and warehouse functions will be relocating. Please also note that the dispatch of any urgent orders in the last two weeks of March may prove problematic as a result of the relocation process. We thank you therefore in anticipation of your understanding and forbearance during this period.
